

Dear All Saints Catholic School Families,

As we conclude the 2019-20 school year, our hearts are filled with gratitude for your prayers and support. The pandemic required All Saints Catholic School to move students from a physical classroom into a virtual environment yet our Catholic mission continues to permeate throughout all that we do. We know and love your children. We know their learning styles, we know their strengths, and what they need to work on, we know the names of their pets, and their favorite sports and music. We have a personal and vested interest in all of our students and their success.

We would like to thank you for your faith, trust and commitment to the mission of All Saints Catholic School. It is your belief in the Catholic Education values that help us to keep our school open. We so respect the sacrifices our families make so they can send their child or children to All Saints Catholic School, and we will always continue to put your child first in everything we do.

There are many questions that you may have regarding the August opening. Our plans will continue to evolve based on data and recommendations from key authorities. As we receive new information you will receive updates through all of our school communication sites. We will be planning for several different possibilities since we do not know when this decision will be made. Our planning will also include how to best transition our students and fill the gaps as needed.

A last word to All Saints Catholic School Students: Thank you for all your hard work throughout this school year. We are so honored to be your principal and assistant principal; you make us proud to continue to be at All Saints Catholic School. You keep us laughing and young at heart. We are so grateful for your joy, astute insights and amazing talents. Best wishes to our graduating eighth graders, whom we will miss greatly-please come back and visit. All Saints Teachers and Staff love you and are always here for each and every single one of you. Be safe in this time of uncertainty and use this time wisely to reflect on the next part of your life that lies ahead!

We are so sad to say farewell to **Julie Styvaert**, who is retiring and **Sara Hawkins**, who is moving to her hometown of Geneseo. They have been at our school between the two of them for 35 years! We so wish them the very best as they both start new chapters in their lives. We will never forget and are so grateful for all they have done for the students of All Saints Catholic School.

We welcome the following teachers to their new positions:

Robert Hoffmann-Band Teacher, Tracy Wren-Kindergarten Teacher, Andromahi Harrison-Preschool Teacher

Goodbye also to our office helper, **Mandy Shaffer** who has been a wonderful addition to our main office for 3 years and our Middle School Para, **Sue Ryder**, who has so helped our 3rd grade students and our Middle School Students for the last 2 years.

We also say farewell to those families who are not returning to our school as they will always continue to be in our prayers as they journey on to new places.

God Bless You.

Jeanne Von Feldt, Principal David Sowell, Assistant Principal

P.S. See you at our Farewell Parade, Friday, June 12, 2020 5:30-7:00pm !!!!
