

“.. bearing fruit in every good work and increasing in the knowledge of God...”

**Colossians 1:10**

November-A time to reflect on all the things we are thankful for....I am thankful that each morning I get to pray with the students of All Saints Catholic School. I am thankful also for All Saints staff members, All Saints parents/guardians, and all of the special people in my life. I am also very thankful to be a principal of a school that cares about helping each individual succeed!!

**Change in Your Child’s Dismissal**

Please call the office at 563-324-3205 if your child’s dismissal plans change throughout the day. We are asking that the office be notified of these changes before 12:00. The ideal request is that your child brings a note that is given to the teacher in the morning, which helps to eliminate interruptions into the classroom.

**Dressing for the Weather**

The weather is changing and temperatures are dropping. Dressing your child appropriately for the weather is important. Students will be sent outdoors for recess, weather permitting. It is important for the students to go out for fresh air and exercise.

As fall turns to winter, please be sure your child has a winter coat, gloves or mittens and hat. For your child’s comfort, please include boots, snow pants and an extra pair of dry socks when there is snow on the ground. Thank you for your extra effort.

**Taco Dinner**

Planning ahead. There will be a Taco Dinner at Sacred Heart Cathedral on **Saturday, November 21, from 4:30pm-6:00pm.** You will be able to have 3 tacos, chips and salsa, and a cookie for \$5.00 (What a deal!) All orders are To-Go with no indoor seating. You may come in to pick up (masks required) or do the drive thru.

You may also pre-pay for your orders to save time in line. Please call All Saints School or Sacred Heart to pre-pay. We will also accept payment at the time of purchase.

Thank you to our generous donors, Navarro’s Taco Meat and Ganzos Chips and Salsa.

This dinner will benefit our Gala

**School Closings Information**

It is that time of year again when we need to start watching the weather! I would like to remind you that if there is any doubt about school closing or starting late, please check TV-6. I will also let you know about any school closing through our School Messenger System. You will get a call from me. We always do what the Davenport Public Schools are doing in regards to weather closings. Be sure your children are dressed appropriately for outside weather.
