

★ Return to Learn Plan

★ The state of Iowa is requiring a Return to Learn Plan from each accredited school/district. This document will help us build a better idea of the learning system that we will have in place in the fall. All Saints is already in a good position for this plan since we are doing required learning. Next year all schools in Iowa will have to have continuous online learning in place if we need to have schools closed again. We are still waiting for additional guidance from the State of Iowa for our reopen plan that is required from all schools in Iowa that will likely include guidance from the CDC on requirements to keep our students safe and healthy. Once our plan is approved, we will share it with our school families to keep you informed of the possible scenarios when we return to school.

★ Virtual Talent Show

★ Since we aren't able to have our normal spring concerts, we will be having a virtual talent show. Any student at All Saints can participate in this. Please send your video to ASCSTalent@saints.pvt.k12.ia.us by Wednesday May 27th. Please limit your video to no more than 3 minutes. All songs, dances, other talents must be school appropriate. Once we have it put together, we will let families know where to view it.

★ Home & School Information-Teacher Appreciation Info

★ Home & School invites your student(s) to fill out the teacher and staff appreciation note cards that are available for pick up on Mondays at school (7-10 a.m. or 5-6:30 p.m.). Completed cards can be returned to the box on the Home & School table. Please see the attached spreadsheet listing teacher and staff names, email address and locations. You're welcome to print out the appreciation cards at home to fill out or simply email the staff member your appreciation. Thank you for all you're doing to show our gratitude to the teachers and staff who make All Saints such an incredible school.

★ Teacher and Staff Announcements

★ Words cannot express how sad we were to hear of two of our teachers leaving us.
★ **Julie Styvaert**-our current kindergarten teacher who has been teaching beginning at Holy Family and then All Saints for 20 years. Julie is going to retire and we will so miss her as she has been an inspiration to us. May she enjoy her retirement and may she know that she has prepared many of us to continue with her great work.

★ **Sara Hawkins**-Our current band teacher and 8th grade homeroom teacher has been teaching at all Saints for 15 years. Sara has accepted a middle school band teaching position at Geneseo Middle School. We thank her for being very passionate about teaching her students everything they need to know about music, and for making her lessons and band concerts engaging and fun. We will never ever forget all her valuable contributions. We hope that she has nothing but peace, love and happiness in her new position.

★ New All Saints Families Wanted

★ Our All Saints families are the best spokespeople for all the wonderful opportunities that All Saints offers. If you know of someone interested in attending All Saints for the 2020-2021 school year, please have them contact the office at 563-324-3205. **There should be someone here all summer to answer those calls and they will also pass along contact information to me, Jeanne Von Feldt, and I will be happy to make contact with that family and to arrange a tour and visit.**
